for the Lake Shawnee System

<u>ORDER GRANTING MOTION FOR EXTENSION OF TIME TO FILE REPORT</u>

By motion filed on May 17, 2001, the Staff of the State Corporation Commission requests that the Commission grant it an extension of time to file its report in the above-captioned proceeding.[1] Staff specifically requests the Commission to extend the date for filing its report detailing the results of its audit of AquaSource Utility-Virginia, Inc.'s books and records for the Lake Shawnee Water System from June 29, 2001, to October 29, 2001. In support of its request, Staff states that its schedule with respect to this and certain other pending proceedings prevents it from conducting an audit in sufficient time to meet the above-referenced deadline.

---

[1] A report detailing the results of Staff's audit of AquaSource Utility-Virginia Inc.'s books and records with respect to the Lake Shawnee System was required to be filed on or before June 29, 2001, pursuant to the Commission's Order dated April 25, 2000.

NOW THE COMMISSION, having considered the matter, is of the opinion and finds that Staff's request is reasonable and should be granted.

Accordingly, IT IS ORDERED THAT:

(1) Staff's motion requesting an extension of time to file the above-referenced report is hereby granted.

(2) The date for filing Staff's report detailing the results of its audit of AquaSource Utility-Virginia Inc.'s books and records for the Lake Shawnee System is hereby extended from June 29, 2001, to October 29, 2001.

(3) This matter shall be continued generally.
